

Enchanted Smiles

Creating smiles and changing lives!

Welcome!

I am delighted that you have chosen me to attend to your dental care needs. At Enchanted Smiles I combine the cutting edge techniques of modern dentistry with state-of-the-art technology to help you obtain your ideal functional and esthetic dental health. My practice is built on a solid foundation of excellence in dentistry; I am the only dentist in Topeka to have attained advanced training and Fellowship status at the internationally renowned Las Vegas Institute for Advanced Dental Studies. I am excited to use these advances to the benefit of my patients in the Midwest.

I believe that the best dental care begins with a friendly and mutual understanding between dentist and patient regarding your ultimate treatment goals and the necessary steps to attain them. My approach to dentistry is designed with the flexibility to allow you to achieve your "ultimate" goals at a pace you can control, while guaranteeing a fresh look and great smile at each step of the way.

I provide the following dental services:

- Smile makeover*
- Porcelain veneers*
- Cosmetic dentistry*
- Full Mouth Restoration*
- General Dentistry*
- Crowns*
- Root Canal*
- Whitening*
- Chipped or fractured tooth repair*

I also provide treatment for:

- Sleep Apnea*
- Temporo Mandibular Joint (TMJ) pain*
- Headache*
- Neck and Shoulder pain*
- Vertigo*

By filling out the enclosed questionnaire, you can help us determine your dental needs and concerns. Ultimately, whatever treatment you receive is completely your choice. For whatever treatment you select, we'll help you understand your insurance coverage. In today's world many aesthetic dental services are considered out-of-pocket expenses; nevertheless, we also provide options for financing your treatment, if needed.

We highly recommend that you complete the following paperwork and mail it, or fax it to us at (785) 246-6302, at last two days prior to your dental visit. By helping us prepare for your visit, we can ensure you have the best possible experience!

Thank you for choosing my practice.
